2. I am aware of the facts above because: (Included, but not limited to: your observations, statements of eyewitnesses, defendant's admission, etc.)

I am aware of the facts above because the victim responded to headquarters with his attorney to report the incident. The victim reported that on 08/02/2021 around 0972 hours, he received a Tweet on Twitter, a social media application from his ex-girlfriend who he has a TRO against. Within the tweet, was a link to a Jewish dating/gathering party that his ex-girlfriend was running. While speaking with the victim, he stated that she is a match maker in the Jewish Community and knows the internet very well and does not think this is a mistake on her part. There is an active restraining order which indicates that she is not to communicate with him an any point in time. Victim also adds that the restraining order was for harassment via the internet and thinks that this is another shot at him.

3. If victim was injured, provide the extent of the injury:

Victim was not injured as a result of the incident. Victim already has a TRO in place and did not wish to speak with DVRT before leaving HQ.

Certification:

I certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.
